

# Morning News Summary

## US Stocks Down On Chinese Rates Speculation

US stocks were down overnight on speculation China will be forced to raise interest rates after a report showing higher than estimated inflation but gains in big-cap technology shares limited losses. **Deere, AK Steel Holding** and **Caterpillar** fell more than -0.8% each on concern that demand from China will slow, while **Google** and **International Business Machines** both advanced more than +1.0%.

**Citigroup** climbed overnight after a Financial Times report stating CEO Vikram Pandit will announce that the bailed out bank may earn \$20bn within a few years. Over 3 companies fell for every two that rose on US stock exchanges, seeing the **S&P 500** fall -0.2% and the **Dow Jones Industrial** decline -0.1%.

## FTSE Falls From Peak

Stocks in the UK fell from their highest level in 21 months overnight as miners declined alongside base metals prices after a Chinese inflation report raised concern China may take further steps to dampen its economy. **BHP Billiton** (-2.1%) and **Xstrata** (-1.6%) both fell as a report showed inflation in China climbed at the fastest pace in 16 months. The **FTSE 100** lost -0.4% while Ireland's **ISEQ Index** gained +0.4%.

European stocks declined from a 7 week high as US jobless claims fell less than forecast and basic resource producers retreated on Chinese rates speculation. **Lagardere** slumped the most in 12 months after France's largest publisher reported earnings that missed estimates. **Volkswagen** limited the retreat as Europe's largest automaker rallied. The **Stoxx Europe 600** slipped -0.3%.

## Asian Stocks Advance On Japanese Speculation

Asian stock exchanges advanced, sending the **MSCI Asia Pacific Index** (+0.3%) toward seven week highs as speculation Japan's economy is recovering outweighed concern China will increase rates. **Mizuho Financial Group** and **Aeon** both climbed over +1.0% after the Nikkei newspaper reported the government will upgrade its economic growth forecasts.

Japan's **Nikkei 225 Stock Average**, climber +1.0% overnight, to its highest close since January 21, on speculation increased demand will boost earnings as the economic recovery gains momentum. **Mitsui** climbed +2.7% after reports that Brazil based Vale, of which it owns a 15% stake, is seeking to increase iron ore prices. Electric device retailer **Yamada Denki** climbed +4.0%.

## ASX 200 Down

The **ASX 200** fell -0.1% on the release of unemployment data, which indicated that only 400 jobs were added in February. Materials, financials and industrials were the hardest hit sectors, with **Brambles, BHP Billiton** and **Westpac** all shedding value.

## Crude and Gold Fall

Crude oil and gold were flat overnight. Crude oil was at \$81.99 and gold at \$1,108.30.
