IRD Number: 

--	--	--	--	--	--	--	--	--	--

### PIR Election (tick one box only)

Please tax my/our investment in Forsyth Barr Investment Funds at:

Prescribed Investor Rate (PIR):       0%       10.5%       17.5%       28%

**Tax Rates:** You can only choose a PIR of 0% if you are New Zealand resident for tax purposes and are a complying trust, company, registered charity, PIE Investor Proxy, or superannuation fund. You can only choose a PIR of 10.5% if you are a New Zealand resident individual or the trustee of a testamentary trust. If a trust chooses a PIR of 0%, 10.5% or 17.5% the income allocated is not excluded income in the hands of the trust and will not be a final tax.

**All parties to the account must sign above before we can accept this notification.**

Please remember to advise us if your Prescribed Investor Rate (i.e. 0%, 10.5%, 17.5% or 28%) needs to be altered during the year. This form is for the purposes of ascertaining your PIR only and is not to be used for any other purpose, including instructing us regarding your investments.

**We recommend you review your investments and seek specialist tax advice to determine which PIR is the correct rate for you.**
